Slavery – segregation - genocide and discrimination have and always will be morally wrong.

**Why should government protect life?**

All human beings have basic, natural rights – the most fundamental of these is the right to life. The right to life belongs not only to the strong and powerful. It belongs to all human beings regardless of age, dependency, or ability. A government exist to protect our natural rights and has a duty to protect the weak from the strong. We all benefit when the law respects the dignity and value of every human life. Governments should protect the right to life for all because it is the foundation of all other liberties.

John Paul II effectively said that It is difficult to imagine a more unjust situation than taking the life of a child yet unborn and thus incapable of defending itself, when a clear moral evil is involved. What is at stake is the commandment “Do not kill”. A child conceived in its mother’s womb is a defenceless being, never an aggressor, that is waiting to be welcomed and helped.

***We are to know and bring glory to God. “You are a chosen people... to show others the goodness of God, for He called you out of the darkness into His wonderful light.” 1 Peter 2:9***

## THE CHURCH OF CHRIST MUST HAVE THE SPIRIT TO FIGHT FOR JUSTICE.

**Greetings to all who are in the body of Christ, may the Grace of Almighty God be with you in peace.**

*“The eternal being who knows everything and who created the whole universe became not only man, but before that, a baby, and before that a fetus in a woman’s body.” C.S. Lewis*

To have everlasting life with God three things I have been given wisdom to know as **truth**. Jesus Christ came and died to save me from myself. I am not a god and could not be saved without God’s sacrifice on the brutal Cross. I know that I can separate myself from His gift of salvation by re-crucifying our King and holding Him up to contempt. Good without God (our King) is not enough! **Hebrews 6:6**

Why is **ABORTION EVIL?** A woman has been given a womb solely to support the life of another human being during the fetal stage of that ‘God given’ life. The womb’s function is not to give a woman life. In fact she would be able to live without a womb. A man has lived without a womb since creation. So it is this truth that it is not a woman’s right to choose that life be destroyed in the womb. Abortion destroys God’s given gift of a unique individual life, which was created in His image and likeness. Executed for the only reason that the person destroying that life, may live as they wish. The gift of life destroyed is simply just not wanted. It is executed and sacrificed simply for another’s comfort. It is a life rejected, that is known to God our father, just as we are. This is a fundamental evil that leads to unlimited regret. When one wants their own way then someone else gets hurt. Taking the life of an innocent defenceless baby often results in turning to drugs, alcohol and more sex- abuse, killing one’s self-esteem, even suicide. This brokenness in our society will have to be confronted with great love to bring healing to victims of Caesar’s deception, a type of healing which only Jesus Christ and His passion on the cross can grace us all with. (see [www.afterabortion.org](http://www.afterabortion.org) and [www.theunchoice.com](http://www.theunchoice.com))

Much work awaits the body of Christ. Persecution will come once again as it did to the early founders of Christ’s Church who stood strong against evil. When we face the reality that the spiritual kingdom of Almighty God lies all about us, enclosing us, embracing us, within reach of our inner selves, waiting for us to recognize it. Christ Himself is here in the form of the comforter as He promised, waiting our obedience to His presence. Only then can He direct and revive His church, the body of Christ. **Daniel 11:32**

## GOD IS NOT PLEASED WITH HIS SILENT CHURCH.

Genesis 6:6

True Christians cannot support any ‘Caesar’ who rules without a fear of Almighty God.

**We will have to ‘die to self’ to be our Lord’s and empower the good of God over the deception of human good.**

Our Lord informed us that He changes not. He is the same yesterday, today and forever. **“I am who I am.”** Security is in who He is, He will be with us, He will be there. So let us rest in and serve this consistent nature of our Lord.

*“We are to live under the moral word of God. This, the final test of all Christian ethics, will retain our sanity in a troubled world and a selfish society.” A.W. Tozer*

*“There is not a place to which the Christian can withdraw from the world, whether it be outwardly or in the sphere of the inner life. Any attempt to escape from the world must sooner or later be paid for with a sinful surrender to the world. “*

Dietrich Bonhoeffer

**If you are not of the body of Christ then consider President Abraham Lincoln’s statement of truth.**
